

Regional Westie Club Sales Tables

**West Highland White Terrier Club of America, Inc.
2018 National Specialty**

Friday afternoon, October 5th & Saturday, October 6th, 2018
Kimberton Fire Company Fairgrounds
Kimberton, PA

Dear Regional Clubs,

The West Highland White Terrier Club of America will graciously offer free sales space to all regional Westie Clubs. Due to the Barn Hunt event in the Shed area, the area for sales is indoors in the main building. The available sales spaces are for use by regional Westie clubs only, and are not for regional Westie rescue groups.

Each Regional Club may register for one table; additional tables granted based on availability. Space, tables and chairs are provided at no charge to the clubs. Regional Sales Tables are to be staffed for business during the hours of Friday, 1 pm to 4 pm; and Saturday, 9 am to 3 pm. We recommend that you cover your goods with a tarp when your table is closed. Items left overnight or unattended are at the risk of the regional club. Table assignment and setup will be on Thursday after 11 am and Friday after 1 pm (any volunteers to help setup Sales area would be most appreciated). Packing up is to be completed by Saturday 4 pm.

Your club is required to dispose of all garbage in the garbage can provided or assigned dumpster on Saturday closure. Do not expect that you can leave trash for others to clean up. The Grounds Committee has worked all week, and by Saturday, they will be tired as well. Please do not expect them to clean up after you.

**We require each club to respond so that we can plan for tables and chairs.
Deadline to reserve booth space is September 1, 2018.**
