Regional Westie Club Sales Tables

Friday, October 7, 2011
and
Saturday, October 8, 2011

Dear Regional Clubs,

The West Highland White Terrier Club of America will graciously offer free sales space to all regional Westie Clubs. The sales space is for use by regional Westie clubs only and is not for Westie rescue groups.

Each Regional Club may register for one table; additional tables granted based on availability. Space, tables and chairs are, provided at no charge to the clubs. Regional Sales Tables are to staff for business during the hours of Friday and Saturday, 9am-3pm. We recommend that you cover your goods with a tarp when your table is closed. Items left overnight or unattended are at the risk of the regional club. Table assignment & set up will be on Thursday after 3pm and Friday before 8:30 a.m. Packing up is to be completed Saturday by 4pm.

Your club is required to dispose of all garbage in the garbage can. Do not expect that you can leave trash for others to clean up. The Grounds Committee has worked all week, and by Saturday, they are tired too. Please do not expect them to clean up your trash.

We require each club to respond so that we can plan for tables and chairs
Deadline to reserve booth space is September 1, 2011.

Name of Club Reserving Space: _____
