

## 2018 WESTIE SPECIALTIES

All show-giving regional clubs were asked to furnish the dates of their specialties show(s) and the names of their judges. Shown are those clubs responding. You may wish to check the individual clubs' website or superintendent's site periodically for updates as some clubs are offering multiple days of supported entries. Included below are the specialty shows that are offering regular and sweepstake classes. All judges are pending AKC/CKC approval. Many of the regional specialties offer obedience, rally, agility, and/or earth dog events. Information is subject to change and you should check the individual club's website periodically for updates to the list.
