

Westie Updates

Vol. 8 No. 2 - February 2021

Message from the President

Hello All,

I am sure you have heard that the 2021 Roving that we were working on has been canceled. We were hoping to hold it on May 9, 2021 in conjunction with the Trenton Kennel Club. I want to thank the WHWTC of Northern New Jersey for all their help and moving around all that they had planned so that we could join the weekend that was planned. We continue to make plans for the Nationals that will be held beginning on October 2, 2021 and run through October 11, 2021. There will be more information coming in the next few months and again, we cannot do this without the many great volunteers that come out each year. Stay safe!

Best Wishes,
Cathy Blacklock

The Verbal History Project

The West Highland White Terrier Club of America Verbal History Project represents an excellent opportunity to learn about the past 50-year history of the national club through the words of the 25 Year Members. Approximately 60 members of this elite group have shared their experiences in how they started with our beloved breed, who their mentors were, their most memorable moments in Westies, their favorite Westies, the best Westie authors and artists in their opinions, their views on the future of the breed and the advice they would impart to current and future Westie enthusiasts.

This group represents over 2,000 combined years of Westie devotion and experience, and their biographies represent an enormous wealth of knowledge and advice about the breed. The 25 Year Members are both show and performance enthusiasts and pet people, but they all share one common characteristic - a deep and lasting love for West Highland White Terriers.

This Verbal History Project represents only a beginning, not an end. Each year brings more members into the 25 Year club, and they, as along with all current 25 Year Members who have yet to submit a biography, are invited – no, urged to share their experiences and thoughts on this site.

If you are a previous or present 25-Year member and have not submitted a biography, you still can participate. All 25 Year Members can submit their 1 to 3 page biographies, preferably in electronic format, to me, **Gloria Pasquini** at bonniebay@roadrunner.com or mail to me at 30 Bonnie Bay Way, Alfred, ME 04002. Biographies will be edited and sent back to the authors for their final approval before being added to the master on-line file. If you have any questions or need help in writing your biography, please contact me at my e-mail address above.

To read what 25-Year members have submitted and enjoy their experiences in the Wonderful World of Westies, please visit www.westieclubamerica.com and click on the drop down menu under “The WHWTCA.” Then click on “Verbal History Project.”

A new feature article for The Imprint will spotlight a biography of one or two of our past or present 25-year members. Yours could be one!

NEW WHWTCA Chat List

The Club has a new chat list. It was started on November 30th and we already have over 200 members!

If you misplaced your invitation and would like to join, send an email to WHWTCAChat+subscribe@groups.io

(Note: The Yahoo list will be closed because Yahoo has discontinued their service effective Dec. 15th.)

Medallion Request Form

2021 Futurity & Maturity

HAVE YOU REGISTERED YOUR LITTER??

Please remember that we once again have our annual Futurity/Maturity event at Kimberton in 2021. This is the event that lets us show our pride in our breeding programs and gives others the opportunity to see our results.

Show your pride and enter your litters. We will continue to remind you, so you do not forget. Last year many members forgot to register their litters and missed the opportunity to participate in this very special event!! See the website for the necessary form to register for the Futurity and Maturity.

It is never too soon to be planning ahead and remembering this important part of our annual specialty!

Attention Regional Clubs

IS YOUR REGIONAL SPECIALTY ON THE WEBSITE CHART???

Calling all Regional Clubs! Please send your specialty date(s) and judges to ctrudeau@optonline.net as soon as possible. If we can get it up in January, our members can start planning the shows to attend in 2021! As soon as we hear from some of the clubs, we will start putting up the chart for the coming year.

25 Year Member Bios

Attention all WHWTCA Members!!

Please remember if you are a 25-year member of the WHWTCA, you should be sending in your bio for the History Project. We are missing a number of these bios and they are so important in helping us maintain our history and archives.

You can find details about the History Project Bios on the website at: <http://www.westieclubamerica.com/whwtca/WHWTCA-Verbal-History-Project.html>

The San Francisco Bay West Highland White Terrier Club is still under mandated quarantine regulations in the State of California. We hope this message brings everyone good health and more shows. There are very few areas in the State with the ability to get together in groups larger than 10. Our goal in the next month is to host an educational meeting via zoom or another video teleconferencing service. The dates and topics will soon be determined.

Our Spring Specialty dates have been changed due to the restrictions currently in force in California. The Northern California Terrier Association and Sacramento Dog Club that host our specialty show, have changed the dates from April to July. Our new date will be July 10, 2021 with a supported entry on July 9, 11, and 12. The location has also been changed from Cal Expo in Sacramento to the Lodi Grape festival grounds. For those of you who have never been to Lodi, there are many wine grape growers and vintners in the region, many having tasting rooms at their site. Lodi is fast becoming a popular destination point for tourists. Please contact **Gail Krieger** (gailaurie@hotmail.com) or **Lisa Blutman** (lisa.blutman@aol.com) for further information on hotels and B&B's. Up to the writing of this update there has been only one show in Northern California since March 2020. Our Fall Specialty is still planned for October 31, 2021 in Dixon, California with a specialty barbecue banquet and auction.

Plans are going forward for our 50th anniversary specialty show in October 2022.

SAVE THE DATE!

Our Annual Specialty Show in conjunction with Rocky Mountain All Terrier Club is planned for Friday, September 10, 2021 in Greeley, CO, followed by the Evergreen Kennel Club shows September 11 and 12.

Thank you,
Lisanne Smith
President

CALLING ALL WESTIES

The Westie Foundation of America (WFA) is working with Dr. Elia Tate-Wojno, Cornell University on an Atopy study needing more blood samples. This work is testing the theory that allergic disease will have a different immunologic profile than normal dogs.

We need blood samples from 10 Inhalant Allergic Westies and 10 Food Allergic Westies. The criteria require that the dog not be on corticosteroids for at least 2 weeks and not have other pre-existing disease such as Cushings, Diabetes, Addisons, KCS, etc. Please email me (kmccash@aol.com) if you are interested in participating.

Protocol: Westie peripheral blood collection and immune cells analysis

1. Assess if Westie is a potential participant in the study. Participants must be allergic OR non-allergic, any age, either sex. Westies that suffer from a chronic inflammatory disease other than allergy, including KCS, Addison's Disease, Cushing's Disease, IPF, cancer, IBD, diabetes, or arthritis are NOT eligible. Westies that have been treated with corticosteroids in the last 2 weeks are NOT eligible.
2. Contact Seth Peng (Lab Manager, Tait Wojno lab) at sap226@cornell.edu to request a collection tube and shipping information. Mr. Peng will provide you with the number of tubes you require via mail.
3. Present client consent and study; obtain consent from informed owners.
4. Administer Participant Form and Allergy Questionnaire (see attached) to the participant's owner. Regardless of the outcome, proceed to blood collection.
5. Collect peripheral blood (≤ 5 mL) from the participating dog using provided violet capped K2 EDTA tube (any blood collection site is fine).
6. Seal the tube with parafilm and place it in a shipping box on ice in secondary containment.
7. Ship the tube via FedEx using the information provided to you by Mr. Peng:
Dr. Elia Tait Wojno, c/o Mr. Seth Peng
Baker Institute for Animal Health
Cornell University
235 Hungerford Hill Rd.
Room 135
Ithaca, NY 14850
(607) 256-5632
edt42@cornell.edu
Scan and email the completed Participant Form and Allergy Questionnaire to sap226@cornell.edu or fax to (607) 256-5608.
8. Cornell FEDEX account number: 106376387.
9. Collections should be shipped Monday – Wednesday in order to arrive by Fridays.
